December 2011

Independent Children

One of our aims at pre-school is to encourage the children to become independent and able to manage their own clothes. Therefore please would it be possible to encourage your child to find their name and to let them hang their own coat on the coat peg with their backpack in the basket. This will help your child enormously at pre-school and will prepare them for when they go to 'big' school.

Lunch Club

Please make sure that your child's lunch box is healthy. Our policy is no nuts or anything containing nuts and sweets. Please do not use cling film to wrap food up in, as the children find this hard to unwrap. Due to Health and Safety, if your child has grapes, please would you cut them in half. This is due to choking on both the cling film and grapes.

Dates for you diary
