January 2012

Happy New Year to you all.

Welcome back to a new term at pre-school and I hope you all had a happy and safe Christmas. A special welcome goes to the new children and their parents/carers who will be joining us this term.

Thank you

A big 'thank you' to everyone who came and supported the children in their Christmas plays at the end of last term. The children worked really hard learning new songs and gaining the confidence to perform in front of a room full of adults.

Thank you also from all the staff for all the cards and presents you gave us. They were very much appreciated.

Committee meeting

The next committee meeting will be on **Wednesday 25rd January, 2012 at 7.30 pm** in the pre-school hall in the Children's Centre. Everyone is welcome to come along.

ZooLab visit to your school

Dear Parent/Guardian

Your child's class will soon be receiving a visit from ZooLab UK.

This visit will entail the showing and handling of live animals and all of the children will get the opportunity to handle some of the animals themselves.

There will be a range of animals depending on the topic chosen.

Although we strongly encourage all of the children to join in with the activities it is important to note that no child is ever forced to handle animals that they don't want to.

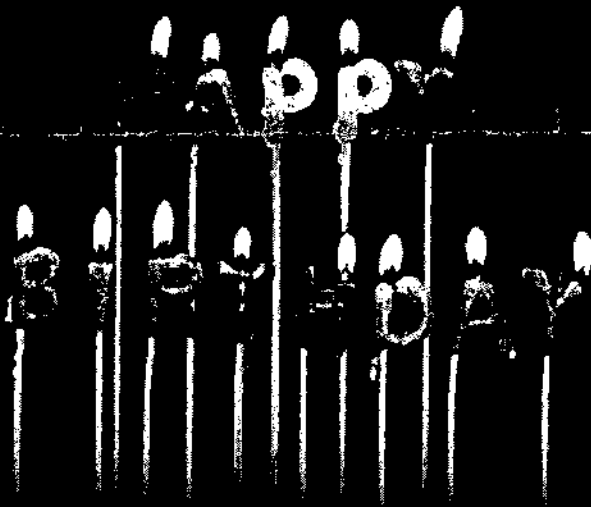

At ZooLab we take health and safety very seriously and you can be rest assured that all of the animals handled by your children are totally safe and unable to cause any harm. We also have a strict hand washing policy that we enforce at the end of every session.

We're sure that your child will enjoy this experience and hope that it will stimulate a future interest in animals and related environmental topics.

All the best
